6. He is evidently acting with impunity, and I have reason to believe that he is prepared even to risk his appointment under Government for the sake of the more lucrative position he holds in the Company.

7. Prior to his transfer to Gorakhdanna, he was the Vice President, and his undivided brother living with him and having no independent status or property of his own, has all along been the nominal President of the Company. When leaving for Gorakhdanna, the Sheristadar got his infant son (said to have died recently) appointed as Vice President in his place and arranged for his functions being performed by another. He further appears to have received remunerations for his services before and after his transfer from Kolar.—

8. A criminal complaint, preferred against the Sheristadar and certain others in connection with the same Company, is under enquiry before the General Assistant Commissioner and 1st-Class Magistrate.

9. Under the foregoing circumstances, I regret to state that I am compelled —

suspend the Sheristadar and order his appearance before me to offer any explanation he may have.—

10. I have, in anticipation of sanction, directed Head Clerk Baily Sreenivasaraw of this office to relieve Sooram Suranappa of the Taluk charge, and act as 5th Grade Amildar pending further orders, and request that he may be invested with the 3rd Class Magisterial powers, + with the power of taking down the evidence of Complainants and witnesses with his own hand in the English or Kanarese language.

+ under Sec 12 of the Code of Criminal Procedure Sec 357

I have the honor to be,

Sir,

Your most obedient servant

I — Share-holders paying calls for the purpose of receiving pecuniary assistance when building houses & when retired from Govt Service &c

II — Share-holders paying calls for receiving pecuniary assistance on the occasions of marriages, and alike auspicious Ceremonies —

III — Share-holders paying calls at one Rupee on each Saturday, to entitle them to receive on each Sunday a loan of 100 Rupees to any one of them competing for highest rate of interest

IV — Share holders paying calls for the purpose of obtaining pecuniary assistance on the occasion of their wives pregnancies, and deliveries —

Now the Notice A under enquiry announces to the public the Company's resolution to add newly the 5th division of 25000 Shares of 5 Rupees each with liability to pay monthly calls at Rs 2 until 25 months for opening Railway Communication between Bowringpet and Kolar; and 6th division of 1800 Shares of 11 Rupees each for opening Casuarina plantation — The Secretary says in his deposition that he has not hitherto seen the original of the Notice Copy A, and that he cannot account for the mention of

From inquiries made it would appear that the Shareholders were apprised of the proposed additional issue of Rs 3-2 for his having added the words "President since November 1885" to the October 1885 = Some of the share holders have filed a Criminal Complaint to the effect that after the Shareholders infant Son was registered as Vice President at a fixed rate of Rs 25 a month is charged to the Company's accounts, and drawn by him in favour of Sobh Lood Rao, & the Secretary Somanappa are undivided brothers, & live together in one house - Lobh Lood Rao no property of his independent acquisition

2-6 — 1/89

his signature in the copy = I directed the original to be produced = But the Secretary said that on search he could not find the original in the Bank Records = He has since showed me original, which shows that the Secretary's signature was put by the President =

6 = On 10th May 1889, an association under the name of "Kolar Railway Company" has been registered by the Registrar = the object of the Company, as explained in the registered Memorandum is to extend the Railway-line from Bowringpett to Chintamani, and divide the profit thereby realized among the share-holders The registered capital is Rupees 1500000, divided into 30000 shares = It is in the name of this Company that the notice copy marked B has been issued under the signatures of the School master Mr Soobramanniar B A, and the said Venkatesaya the Hospital Compounder and Secretary to the "Prajopakara Company". The foot note of the notice runs thus, "It must be understood that this "Railway Company is not connected" "with Kolar Prajopakara Company" = But it would appear from the Secretary's deposition itself, that both banks are held in one & the same building viz Pleader Venkatachari house which has only one gate = He further says that

in Council that in his opinion the opening of the same would not be attended with danger to the public using the same — Section 21 of the Act provides for punishing the offender with a fine of 1000 Rupees — In this case an attempt has been made to ~~open~~ commit the offence —

10 — In the second place, the Company's resolution announced in notice A to increase the Capital by additional shares for Railway and Plantation has not been communicated to the Registrar within 15 days from the date of the resolution as enjoined in Section 33 of the Indian Companies Act X of 1866 — In the Directors' minute book I find that the resolution to issue notices for additional shares was passed on 14th April 1889 — The following are the Sections of the Act bearing on the subject —

33 — "Where a Company has a Capital divided into shares whether such shares may or may not have been converted into stock notice of any increase in such Capital beyond the registered Capital, and where a Company has not a Capital divided into shares, notice of any increase in the number of members beyond the registered number shall be given to the Registrar, in the case of an increase of

Capital within 15 days from the date of passing of the resolution by which such increase has been authorized, and in the case of increase of members, within 15 days from the time at which such increase of members has been resolved on or has taken place, and the Registrar shall forthwith record the amount of such increase of capital or members If such notice is not given within the period aforesaid, the Company in default shall incur a penalty not exceeding 100 Rupees for every day during which such neglect to give notice continues, and every Director & Manager of the Company who shall knowingly & wilfully authorize or permit such default shall incur like penalty = Section 225 = All offences under this Act may be tried by any Officer exercising the powers of a Magistrate ——

11 = The Conduct of the Company in the issue of the two notices in question appears to me open to suspicion = I hear confidentially that since the transfer of the Chenikedar Soonnaniappa to Gonbidnur a large number of Ryots in that Taluk became shares in this bank =

NB I annex hereto a Statement of Shares registered in the Bank from January to May 1889, showing Talukwar = RL

The information cannot be had until investigating the Bank accounts = The Chenikedar went to Gonbidnur in Feby 1889 = from the Secretary's Statement already received of 41 Shares from 4 people up to May 1889 for one with 2 Shares from Feby to May 1889
